

Your Participation is Important

The Boy Scouts of America provides the nation's foremost youth program of character development and values-based leadership training, which helps young people be **Prepared. For Life.** The Scouting organization is composed of 2.7 million youth members between the ages of 7 and 21 and more than a million volunteers.

The proceeds from our Sporting Clays Classic help the Washington Crossing Council deliver Scouting programs to nearly 10,000 youth and their families throughout the greater Mercer and Hunterdon counties in New Jersey and Bucks County, Pennsylvania. The Council also operates Ockanickon Scout Reservation and the Council Service Center in Doylestown.

Thank you for investing in the young people of our community.

Lehigh Valley Sporting Clays' course combines the fun of shooting over water, fast targets through trees, open fields and shooting around old quarry buildings. The fully automatic course features over 80 presentations on separate courses. There is the Green Course for beginner & intermediate shooters, more challenging Blue and Orange Courses for the intermediate and master level shooters. Presentations include standards, midis, minis, rabbits, chondels and battues. The course are changed on a frequent basis for greater enjoyment.

This year's Washington Crossing Council Sporting Clays Classic will be on the Green Course.
