

– NEW THIS YEAR –

**Optional Two-day “A Meet” format**

For the past several years DVOA has offered two New Jersey Scout Orienteering events in the fall, one at Quail Hill Scout Reservation (located in Manalapan) and one at Washington Crossing State Park (located north of Trenton).

This year, these events are on the same weekend with Washington Crossing on Saturday October 25, 2008 and Quail Hill on Sunday October 26.

You may participate, as in the past, at either of the single-day events, but we also offer the opportunity for Scouts to participate in a two-day competition. The two day competition is patterned after a USOF “A Meet” where competitors run a timed course Saturday and again on Sunday with a cumulative score. We will have special prizes, in addition to the single-day awards, for the best cumulative time over the two days. A participating team runs on the same level of course both days.

For those Scouts interested in the BSA Orienteering Merit Badge this format provides the opportunity to complete the three required courses in one weekend (both a morning timed course and an afternoon SCORE course are available on Saturday).

Pre-registration is required (for both the single-day and two day events). Registration for each day is separate; to register for the combined two-day event, send in two registrations, one for each day. Registration for the Saturday event includes a place for you to indicate whether your teams are participating in both events (so we can prepare score cards with identical team numbers for both days).

Registration information for both meets is available at <http://www.scoutorienteering.com>. Follow the “More>” link and download the .pfd file. Event information is available at <http://www.dvoa.us.orienteering.org>.

For further information contact either event director:

Saturday – Washington Crossing	Sunday – Quail Hill

H: (732) 922-8125	H: (973) 839-4095

NOTE: Parking limits the number of participants at the Sunday venue. If you are interested in participating in both days, keep in mind that registrations for the Sunday event are capped, so register early to assure a place.

# 2008 New Jersey Scout Orienteering Championships

## IMPORTANT INFORMATION FOR LEADERS

Scout Leaders:

Again this year (and in keeping with our set date), the event is on the last Saturday in October, Saturday Oct. 25, 2008.

We ask large units to consider providing an adult volunteer helper. That person does not need to know anything about orienteering... just be able to read & follow directions and be on time! Our goal is to have a core orienteering staff to head up registration, start, finish and calculations and use adult Scouters to manage lines, hand out maps, etc. To lock in the date (as you've asked us to do) we need to know we can count on adult Scouters to help run the event.

We expect to again use Knox Grove as the parking and start area. If wet weather precedes the event and makes the amphitheatre overflow parking unusable, then overflow parking will be at the soccer fields. You do not enter the park to get to the soccer field parking, so your drivers will have to watch for the orange and white arrow signs as they approach the park.

Our event permit caps the number of participants. Registration is first come-first-served. To remain within the occupancy limits, we have Course 1 starts in both the morning and afternoon. So, **there is a separate registration sheet for units having COURSE 1 PARTICIPANTS ONLY**. We will honor the request for a morning or afternoon start time on a first-come-first-served basis. This option is only available to Cubs/Webelos and Brownie/Junior where *all* participants are on Course 1. Units with only Course 1 participants are in the park for the morning or afternoon, not for both. Course 1 participants generally don't participate in the afternoon SCORE event. Boy Scout Troops and GSA units on upper level courses would follow the format of past years with a morning timed event and an afternoon SCORE event.

We continue to have problems with electronic communications on the course. Complaints about Scout use of hiker radios may result in a change in format. Please be aware that we may collect maps at the finish, with participants able to reclaim their maps once all participants are off the course. Emergency communications are fine; if you have a question about electronics on the course, contact the event director.

**If a Scout is seen using hiker radio or cell phone to coach a team through a course, the meet director will disqualify all teams from that unit from awards consideration.**

The park has asked us to remind leaders to bring enough adults so that your Scouts are supervised at all times. We remind all leaders to adhere to BSA and GSUSA safety practices and obtain the proper trip permits before attending the event. Proper supervision is the responsibility of the unit leader; DVOA volunteers are happy to run the event, but cannot supervise Scouts.

We rent portable toilets on event day for Scout use so that we do not overload the park facilities. Please ensure that Scouts use those units.

Note: You do not have to register adult leaders that do not wish to go out on a course (or get a patch).

Thank You.

## 2008 New Jersey Scout Orienteering Championships

To: All Scouts, Scout leaders, Committee Members, Scouters

Are you and your troop ready to test your map reading and problem solving abilities? Are you ready to pass the map and compass requirements for First Class, Second Class, or the Orienteering merit badge? Why not try ORIENTEERING, a cross country map and compass adventure designed to test the map reading ability and compass skills of any troop regardless of size or experience.

On **Saturday October 25, 2008** the Delaware Valley Orienteering Association (DVOA) is hosting the Twelfth Annual New Jersey Scout Orienteering Championships is being held at Washington Crossing State Park, NJ. BOY SCOUTS and GIRL SCOUTS are welcome. Pre-event instruction will be available so that all Scouts, regardless of prior experience will be able to take part in the actual competition. There will be courses at four distinct levels of difficulty so that every Scout should encounter a challenge suited to his or her capabilities.

The event map conforms to International Orienteering Federation (IOF) standards. These 4-color maps will be returned to the teams after scoring.

Pre-registration is required for the event. Additional information on registration is attached. **Scout leaders are responsible for obtaining their own council/tour permits and insurance where appropriate.**

For additional information contact the meet director:

Jerry Smith

(732) 922-8125

e-mail: ghsmith@avaya.com or oxsmith@bellatlantic.net

Orienteering information (including other Scout Orienteering events) is available on the following web sites:

[www.dvoa.us/orienteering.org](http://www.dvoa.us/orienteering.org)

[www.scoutorienteering.com](http://www.scoutorienteering.com) (materials for this event)

[http://www2.aos.princeton.edu/dvoa/NJ\\_Scout\\_Champ](http://www2.aos.princeton.edu/dvoa/NJ_Scout_Champ) (materials for this event)

To register for the event send the enclosed mail-in registration form and payment to:

Jerry Smith

27 Oxford Drive

Ocean Township, NJ 07712

**Course Levels:** Scouts will compete with other scouts of the same rank. Four courses will be offered. If in doubt as to what course is appropriate for a participant, please contact the meet director.

**Course 1.** Cub Scout Dens, Webelo Dens, Brownies, Juniors, new scouts, Tenderfoot Scouts: Cubs/Webelos and girls will run in groups of 2-5 with an adult advisor who should follow the group, not lead it. The Scouts should use the maps in the woods.

**Course 2.** Second Class, and/or First Class Boys; Girl Scout Cadettes. Adult may trail but not communicate with the Scouts except in case of emergency or injury. Scouts compete in pairs.

**Course 3.** Star, Life, and/or Eagle Boy Scouts, Girl Scout Seniors. Scouts compete in pairs.

**Course 4--USOF Orange.** Advanced, experienced orienteers of any rank: Scout or Scouter, run alone on a typical USOF orange level course. Girl Scouts may run in pairs to comply with GSUSA rules. Meet Staff may move a participant to a lower difficulty course if they do not have enough experience to run Course 4.

**Regular Adult Course:** All leaders are invited to compete on a course similar to, but separate from, course 3. They may run in groups or alone. Experienced Leaders may compete on the Orange course. Registered participants Leaders receive a map and patch.

**PLEASE BE SURE TO REGISTER YOUR SCOUTS ON THE PROPER COURSE. IT IS EMBARRASSING AND CONFUSING AT AWARD TIME TO FIND SCOUTS WHO HAVE COMPETED ON A COURSE DESIGNED FOR YOUNGER AND LESS EXPERIENCED COMPETITION.**

**Score event:** Units older than Cubs/Webelos & Brownies/Juniors may compete in a Troop score event in the afternoon. The teams **must** remain the same as in the morning event.

**Registration Information:** All participants must be preregistered and prepaid. To avoid late fees, registrations must be **postmarked by Thursday October 16, 2008**. All registrations must be received by Sunday October 18, 2008. Event patches will be ordered for the first 500 registered participants. The cost of the event is \$5.00/scout or participating leader. Late registrations are at the discretion of the Meet Director and must pay an additional \$2.00/person late fee. The registration form is the **Mail-in Registration Form**. The **Troop Information Form** is filled out when you are sure of the exact make-up of all your teams and is turned in at final registration on meet day (do not mail in early). Choose the teams carefully because they must remain together all day. Mixed category teams are possible, but will compete on the course of the higher ranking scout. Each troop may have one three-person team to allow for odd numbers. The earliest entries get the earliest start times, thus more of a rest between morning and afternoon events.

**Start Times:** Instruction will begin at 9:00 AM and is available continuously for both morning and afternoon (Course 1) participants. The start times of each individual team will be determined by receipt date of the Troop registration (earliest registrations get earliest start times). Morning start times will begin at 10:00 AM and go until about 11:30 AM. The afternoon Score Event is from 2:00 to 3:00 PM. Afternoon Course 1 starts run from 1:00 PM to 2:00PM. The afternoon start times are an option for Course 1 Cubs/Webelos/Brownies/Juniors (only!).

## ADDITIONAL INFORMATION

**START TIMES:** Start times are available Monday October 20 and will be posted on the web as soon as possible. You may call the Meet Director for advance notice of your troop's starting times beginning on the 20th.

**PRIZES:** Awards will be made to the best teams on each traditional-style course (not the afternoon SCORE-O event).

**REGISTRATION:** We ask for only the number of teams prior to the event. Register using the **Mail-in Registration Form**. The short lines should be checked indicating the number of teams on each course with a number indicating the number of scouts on that team if it is other than two. The exact make-up of the teams can be chosen on meet day. We return a copy of your Mail-in Registration form on meet day which showing your troop's assigned start times. Don't forget to tell us if you are a BSA Scout, Cub Scout, or a GSUSA unit.

**MULTIPLE UNIT REGISTRATIONS: DO NOT** register together types of units such as a Webelo den and a Boy Scout troop, or Girl Scout Troops of Cadettes and Juniors etc. Please use two separate forms to avoid confusion.

**You must use separate forms if different leaders are picking up the packets at the event!**

**PAYMENT:** Please make checks payable to "Delaware Valley Orienteering Association" or "DVOA".

**BEHAVIOR:** The Delaware Valley Orienteering Association is responsible for providing good courses, accurate maps, and clear instructions. The Scout leaders are responsible for proper supervision and discipline of the Scouts. The Scouts must not remove any of the control points or control card punches. **Removal of meet equipment is unfair to other troops, and will result in the disqualification of the offending Troop.**

**WE GO RAIN OR SHINE!** The maps are in plastic bags; Scouts should dress for the weather.

**PARKING AREA:** There are signs directing you to the parking area. They are orange and white arrows, similar to an orienteering flag. The direction markers start at the main entrance to the park. Parking is in Knox Grove, *not* the main Visitor Center.

**REFUNDS:** Because the courses are preprinted on your maps, we can not refund any registrations, however in the past we have been able to mail maps and patches to troops who register and are then unable to attend.

**EQUIPMENT:** Each team should have a watch, red pen, compass, and a whistle.

### TIME LINE:

October 16 ..... Last day for postmark to avoid late fee. Will get less desirable start times, and less rest between morning and afternoon events than those who have registered earlier.

October 18 ..... Registration Closes.

Any later registrations are at the discretion of the Meet Director and will incur late fee.
