

# **HANDHELD TRANSCEIVER SPECIAL PURCHASE OFFER**

Thanks to a generous donor we are able to offer, at a very substantial discount, a limited number of directional-antenna-ready Handheld Transceiver (HT) packages to qualifying Boy Scouts who will be participating in the Mercer Area District Radio Patrol Mystery Camporee on October 5-7, 2012. Please see <http://mad-bsa.org/fall2012/> for more information about the event and registration forms.

Each HT Package will consist of the following:

(1) One Baofeng UV-5R Dual Band (2-meter and 70 centimeter) Handheld Transceiver.

*Box includes: Radio, Dual-Band Antenna, 1800 mAh Li-ion battery, Belt Clip, Drop-in Charger, Ear/Mic, and English Manual.*

(2) One USB Programming Cable.

(3) One SMA to BNC Antenna Adapter.

*This adapter is needed to connect your directional antenna.*

**Special Total Package Price = \$30.00**

The micro-miniature Baofeng UV-5R is one of the hottest HT's on the market right now. It features all the capabilities that you will need to participate in a Level 4 Mystery Course at the Camporee. More details about the unit and programming software downloads can be found at <http://uv-5r.com/>

Each qualifying Boy Scout can only order one HT. Applications are due by September 8, 2012.

To qualify:

- (1) You must be a Mercer Area District Boy Scout with an amateur radio license,
- (2) Your patrol must commit to do a Level 4 Mystery Course at the Camporee, and
- (3) Your patrol must have constructed a directional antenna.

For more information, please contact Steffen at [radiopatrol@mad-bsa.org](mailto:radiopatrol@mad-bsa.org).
