

# SAVE THE DATE!!!

## 2017 Mercer Area District Klondike Derby

**What:** The Klondike Derby is a two-night winter camping event for Scouts to demonstrate their Scouts skills, teamwork and leadership in solving various problems in a competitive atmosphere. The competitive challenges will be offered at various stations with performance graded for eventual inter-patrol rankings. Saturday afternoon will culminate in the Klondike Derby sled races followed by a feast. So come prepared to have fun and a hearty appetite for the feast!

**Registration:** Registration fee is \$23.00 per scout or scouter before February 10, 2017. On February 10, 2017, or later the fee will be \$27.00 per scout or scouter and no registration will be accepted after February 20, 2017. You can find the registration online by going to the online calendar at [www.WashingtonCrossingBSA.org](http://www.WashingtonCrossingBSA.org) and clicking on the February 24th date.

**Where:** Ockanickon Scout Reservation in Pipersville, PA

**When:** February 24 – 26, 2017

**Patch Design Contest:** We are looking for the Scouts out there that have some great creativity to design this year's Klondike patch. Are you up to the challenge? If you are, submit your entry to Sal Petro at [klondikechair.mad@gmail.com](mailto:klondikechair.mad@gmail.com) by the December 2, 2016 Roundtable. The winner will not only get to attend the Klondike for free, but will also be presented with a specially framed version of the Patch during the Saturday Night Campfire.

**HELP:** To make these events successful and for all of the Scouts and Scouters (like you) to have a great time, we need Scouters to help plan and execute the Klondike. Please contact Sal Petro at [klondikechair.mad@gmail.com](mailto:klondikechair.mad@gmail.com) to offer your assistance.

*More information will be posted by the December Roundtable at:*
